Certificate of Poster Session to the Winter School / Workshop entitled
ENGINE2025 (Grenoble Energy Conversion and Storage)

To whom it may concerns,

On behalf of the organizing committee of the ENGINE2025 Winter School (Grenoble Energy Conversion and Storage), I, Didier Devaux, confirm that **BAMBORE Akshay from Université Libre de Bruxelles, Belgique** presented a poster entitled ***Study, Model and Computing Pressure Losses in GH2 Pipeline*** during the poster session of the school / workshop that occurred from Monday, February 28 to Friday, February 28, 2025, in the city of Grenoble (France).

Sincerely,

Didier Devaux
